

Bruno Delile

Executive Vice President - Aeronautics

Bruno Delile is the Executive Vice President of Aeronautics at Saudi Arabian Military Industries (SAMI) and the Chairman of the Board of Directors at Aircraft Accessories and Components Company (AACC), a SAMI subsidiary. Bruno leads SAMI's aeronautics business in contribution to the realization of Vision 2030 in localizing the aeronautics sector in Saudi Arabia. He has more than 30 years of experience in several executive positions within the Air France KLM Group and other OEMs companies in miscellaneous fields such as manufacturing, MRO, fleet management, inflight services and ground operations at the Charles de Gaulle hub.
